La Joya Assisted Living Suites

Suite Amenities

The La Joya Assisted Living suites offer the optimal setting for those individuals who require just a little more assistance to promote the highest level of independence. The suites follow a residential design with numerous common areas throughout the circular building, which encourage socialization and activity, provide intimate gathering areas for friends and family, and maximize the visual appeal and beauty of the meticulously landscaped courtyards. Wildlife and birds abound and can be observed not only from individual suites, but also from the elegantly appointed dining room where residents enjoy three meals daily.

Each private suite has its own kitchenette and bath, and can be adorned with personal furniture and mementos. Our suites have beautiful corner windows that overlook a courtyard or to the exterior of the building.

Weekly resident trips offer opportunities to shop, visit points of interest and dine out. Each resident is encouraged to participate in activities and events that match their abilities and interests.

A caring staff, superior programs, and a concern for the dignity and well-being of each individual ensure a quality lifestyle for every resident of our La Joya Assisted Living Suites.

La Posada currently offers three floor plans to choose from, a 350-square-foot "Alcove," a 415-square-foot "One Bedroom," and depending upon availability, a 700-square-foot "Double Alcove."

Reservation Process

To reserve a La Joya Assisted Living suite, you must complete La Posada's residency requirements for Assisted Living, as stated in the Frances Sample Holmlund Assisted Living Suites Residency and Service Agreement. All prospective residents will be required to complete two initial residency criteria, a financial review, and a health status evaluation prior to your assigned move-in date. A La Posada case manager or the La Posada assisted living director will conduct this initial review and evaluation.

On your selected move-in date, La Posada will require a signed La Posada Residency and Service Agreement, a completed Financial Profile Form, and the appropriate personal information forms to complete the initial criteria for residency.

Reservation Fee and Payment

If you are not currently a resident of La Posada, you will need to provide La Posada with a refundable Reservation Fee. The Reservation Fee is equal to one month of the resident's assigned Monthly Resident's Service Fee. The Reservation Fee shall be refundable if it is determined by La Posada that you do not meet the criteria for services in Assisted Living prior to your assigned move-in date.

Monthly Resident Service Fees

The Monthly Resident Service Fees shall commence upon your assigned move-in date and are prorated to the end of month. The Monthly Resident Service Fees are subject to an annual review and are adjusted annually according to the operating needs of the La Posada community.
