

Team of the Month

La Via Night Shift Staff

Noelia Galaz, Irma Lopez, Mary Luggerio and Emiliano Rabie (left to right)

Working at La Via poses special challenges due to the varied hours that residents keep — with activities all around the clock. The night shift has become a very tight knit team, working together to create a secure environment for the residents. The staff keeps a watchful eye, monitoring residents every

30 minutes, making sure they are resting comfortably and that all of their needs are met. Patience, teamwork, multitasking and compassion are all qualities the La Via night shift team possesses. They go above and beyond their duties nightly to ensure the La Via environment is as peaceful and secure as possible.

Congratulations on being chosen Team of the Month!

Employee of the Month

Isabel Ruiz

Caregiver, Assisted Living

From the moment Isabel comes to work on the night shift at La Posada's Assisted Living, she is busily attending to the needs of residents and anyone else who needs her help. Residents frequently comment that she is always available for them. She is

very conscientious and remembers all the little things. She is proactive, shows initiative and responds immediately to any issues or situations that arise. Isabel's work ethic, compassion, kindness, skills, smile and dedication to the La Posada mission make her stand out as an exemplary employee. Though she doesn't like to be singled out for her contributions, she truly helps make La Posada a special place.

La Posada is truly fortunate to have an employee as wonderful as Isabel.
